

How to Read your Degree Audit

UC San Diego Anthropology Department

To see which classes you still have remaining, please view your [degree audit](#), a tool in [TritonLink](#) that lists degree requirements and measures progress toward completing them.

When pulling up your degree audit, select “**Submit Audit**” first, wait a few seconds, then select “**View Report**”

Your college academic advisor can assist you in interpreting the college and university areas of your degree audit. Your major advisor can only assist you in interpreting the major related portion of your degree audit.

How to Read your Audit:

- Requirements in **Blue** have been met
- Requirements in **Red** have not been met and will end with “-reqd”
- **Column 1** lists **Departmental Requirements** for your declared major(s)
- **Column 2** lists **College Requirements** or optional minor, if declared
- **Column 3** lists **University Requirements** for degree completion.
- WIP (“Work In Progress”) means that you are currently in the course and it is not yet complete.

Short or Long Version?

The short version will show you your remaining requirements (like the images on the next page) or the long version will show you your remaining requirements and the courses that fulfill the requirements.

If a course is not properly showing up on your degree audit, send a message in the VAC to your college (for college requirements, GE’s, DEI) or your major (for major requirements) or your minor (for minor requirements).

Sample Degree Audits for Anthropology Concentrations

Degree Audit for Archaeological Anthropology

Department Requirements

(AN27) ANTHROPOLOGY - BA
ANTHROPOLOGICAL ARCHAEOLOGY

Upper Division Summary - **Not Complete**

(UC trfr not calculated in audit GPA)

Earned: GPA
