### Coursework

Courses listed by the requirement they fulfil are not guaranteed to be offered during the quarter listed. Students should consult with the annual tentative schedule online when determining when to take specific courses.

All courses for the Anthropology major or minor must be taken for a **letter grade** with a grade of C- or better. The single exception are courses that cannot be taken for a letter grade, which are ANTH 199, ANBI 187A, C or ANTH 187B. Majors may apply six units of **approved P/NP** credit towards the major.
